

Dear Parents,

As you know the boys and girls are very active competing in sporting competitions and playing in matches against other schools and club teams. In doing so some College team kit finds its way home for laundering or simply disappearing into the unknown abyss that is the bottom of a sports bag. If you have have a pair of College shorts or socks or a shirt sitting at home, could we ask you to get your son or daughter to return it/them to the PE Department as soon as possible?

Yours sincerely,

S. Sell,
PE Department
