

12th January 2010

Dear Parents/Guardians,

This letter is to inform you about the upcoming annual '**World Food Day**' which will be held on Wednesday 27th January 2010. This is a traditional Dubai College event where students raise money for a worthy cause and combine their cultures by selling food from different regions around the world. All proceeds raised will go towards a charity based in Pakistan, 'The Citizens Foundation,' an organisation seeking to improve the education of children across Pakistan.

In order to make 'World Food Day' a success, we need your help and involvement. We would greatly appreciate it if you could contribute a favourite native dish, whether sweet or savoury, which would be appropriate for such an event. The funds from last year's 'World Food Day' totalled Dhs 4,000 but we hope that this year, with your help, we can raise even more to support this charitable cause.

During the next weeks we will be speaking to those students interested in participating and further meetings will be held in order to bring this much anticipated event to fruition. If you have any questions or comments, please do not hesitate to pass them on to us through your son/daughter. We will keep you updated with the ongoing development of the 'World Food Day' project over the upcoming weeks.

We would like to thank you and our fellow students in advance for your enthusiasm without which this event would not be possible.

Yours sincerely,

Tara Mehrabanzad 13LA
and The World Food Day Committee
