11th October 2011

Dear Year 11 Parents,

Year 11 - ISCO and Morrisby Testing

This letter provides further information on our Independent Schools Careers Service (ISCO) links and Morrisby Profiling.

On November 3rd 2011 Mr. Martin Minshall from ISCO will be in school to administer the Morrisby profile. ISCO is a not for profit careers service to UK independent schools. Morrisby consists of an interests questionnaire together with a three hour comprehensive psychometric test designed to help build a picture of personal strengths, interests and abilities.

Feedback from the profile will form one strand of evidence when students discuss, on a one-to one basis next term, their subject choices for A Level and potential Higher Education pathways with the Sixth Form Pastoral team.

Our Alumni Careers Convention in the Summer Term will provide an opportunity for students to discover more about a range of careers from relevant professionals in the field.

Mr. Minshall will be available during the Y11 Consultation Evening on Tuesday 1st November to provide further information on ISCO and Morrisby.

We would very strongly urge students to participate in the Morrisby session. It will commence at 12 o'clock on Thursday November 3rd (after an early lunch) and conclude at 4pm (with a brief break). ISCO charge AED 590 for their Morrisby service.

Yours sincerely,

Peter Hill
Headmaster

Please return reply slip and cheque to the Headmaster's office by Monday 17th October.

Year 11 - ISCO and Morrisby Testing

Pupil's Name: _____ Form: 11_____

I agree to my daughter or son taking part in the Morrisby profiling session on 3rd November and enclose a cheque of Dhs 590 made payable to Dubai College.

Signed: _____ Date: _____
