

# DUBAI COLLEGE

*A tradition of quality in education*

## ADMISSION PROCEDURE

---

Admission to the school is by entrance assessment for Year 7, 8, 9 and 10. The entrance assessment for Year 7 is usually held in January. For applicants from schools in the Emirates, the entrance assessment will be held at Dubai College on a date to be advised.

For overseas applicants, assessment papers will be sent to their present school, who will administer them on our behalf and return them to us.

The receipt of an application form by the College containing the name, address and e-mail of the current school is taken as parental approval for the dispatch of assessment papers.

### Age of entry

For entry into Year 7, the applicant should have reached the age of eleven years and should have completed Year 6 by 1st September.

Applicants younger than this, who have their eleventh birthday before the end of the calendar year, will, in exceptional circumstances, be considered. Applications from pupils younger than this will not be accepted.

For entry into Years 8, 9 and 10 the same conditions apply to the appropriate age group.

### Application Requirements

#### Year 7

- 1) A completed application form together with 2 passport size photographs, copy passport, copy birth certificate and the application registration fee of Dhs. 500 (non-refundable). A courier fee is required for overseas candidates. Please contact the Registrar for further details.
- 2) The candidate's end of Year 5 school report.

#### Years 8 to 10

The initial requirements are a completed application form together with a copy of the most recent full school report. If and when places become available in these years, the applications will be considered and a number of candidates will be invited to sit our entrance assessments.

#### Year 12

The initial requirements are a completed application form together with a reference from the current school, that should include predicted GCSE grades. If and when places become available, a number of applicants will be invited to an interview with the Head of Sixth Form

General entry requirements are a minimum of five GCSE passes at Grade B or above, including Mathematics and English. Subjects selected to be studied at A level require at least a grade B pass at GCSE. The exception to this is Mathematics, where grade A\*/A is required in most cases.
